

How to Fill Out the Schedule Builder

Fill out the Schedule Builder on page 15 to plan your conference schedule and select back-up sessions, in case your first-choice sessions become full.

1. Circle the time slot for your first-choice session, or cross out the time that you are not selecting.
2. In the first column, write down the number & title of your first-choice session.
3. Write the location of the session in the light blue "Room" bar immediately underneath.
4. In the next two columns, write down your second- and third-choice sessions.

*Please note that session start times are staggered, and there are no designated lunch periods or break times.
