

**2009 FSA Conference  
December 1-4, 2009  
Nashville Tennessee**

**PC LAB DESCRIPTIONS**

**Ask-a-Fed**

If you have a Title IV-related question (policy guidance, administrative procedures, operational requirements, etc.) and need to talk with a FED, stop by the Ask-a-Fed table and talk with one of our experienced Department of Education staff. If an answer can't be given right away, every effort will be made to provide an answer via e-mail during or shortly after the conference.

**Default Management**

Attendees will be able to view the newly designed Default Management Web site. Staff will demonstrate website features (e.g. electronic searchable database) and assist you in extracting and using reports. Staff will also provide hands-on and tutorial assistance on the eCDR appeals system. We will also be registering schools for the eCDR system.

**Information for Financial Aid Professionals (IFAP)**

See a demonstration of the new redesigned IFAP. Let us help answer your questions from customization to best practices for conducting searches. Learn how to register to receive e-mail notification directly from IFAP.

**National Student Loan Data System (NSLDS)**

Let us show you how to use the NSLDS Web Site and how to access valuable student financial aid information to make your daily work easier. See the new Primary Destination Point Administrator reports and tools for managing access. NSLDS Customer Service Representatives will be available to answer your questions and help with any issues or concerns you have.

**eCampus-Based System**

Attendees can get one-on-one assistance from Department staff on their schools' FISAP, the Default Resistance Assistance Program (DRAP), and other Campus-Based related issues.

**G5**

Staff will be able to demonstrate the new G5 Web application schools are now using to request funds. In addition, staff will be able to research and answer questions concerning G5 access, set up bank accounts, and help resolve funding issues.

**EDconnect Software and the Student Aid Internet Gateway (SAIG)**

EDconnect is the software provided by Federal Student Aid that allows schools to electronically transmit Title IV data with the Department. Staff from Enrollment Support will be available to answer your questions concerning this software. In addition, they will be able to help familiarize you with the EDCommunity Manager. This Web site allows you to monitor batches you have sent and received with

EDconnect software and mainframe/mid-range Easy Access client. They will also be available to assist users with Easy Access Client questions.

### **Participation Management / SAIG Web Enroll**

Student Aid Internet Gateway (CPS/SAIG) enrollment specialists will be available to assist with any questions you may have concerning your SAIG Mailbox services and enrollment, FAA Access to CPS Online Users, NSLDS Users, and other SAIG services. If you have questions about your current enrollment status or how to modify or add new services, please visit us.

### **EDE Suite Software of Products and CPS Web Products**

EDE Suite of Software Products: A free suite of software products provided by FSA. The EDE Express Application Processing and Packaging modules allow schools to receive Institutional Student Information Record (ISIR) data from CPS and perform document tracking and automated awards packaging. The Direct Loan module allows schools to exchange loan origination and disbursement data with COD, and the printing of Master Promissory Notes. The Grants module allows schools to submit Pell, ACG, National SMART Grant and TEACH Grant origination and disbursement data to COD. The EDE Suite also includes stand-alone SSCR and Direct Loan Tools products. We are also demonstrating our CPS Web products. These products include FAA Access to CPS Online; R2T4 on the Web; the Federal Student Aid PIN Web site; FOTW and FAFSA4caster.

### **Direct Loan Transition**

Questions regarding your school's pending transition to the Direct Loan Program? Not sure what you need to do to prepare? Or, are you ready to make the transition and need to know what steps to take? Staff can assist you with those questions, assist you with signing up, and more!

### **COD Website**

Attendees will receive individualized attention to address their Direct Loan, Pell Grant, ACG, National SMART Grant or Teach Grant COD processing issues. COD school relations staff will be present to help resolve outstanding issues or answer questions attendees may have in regards to COD processing.

### **E-App for Schools** (Electronic Application for Approval to Participate in the Federal Student Financial Aid Programs)

Institutions use the E-App to apply for recertification, to apply for approval after a change in ownership, to report any updates to the institution's current information or to apply for expansion of its institutional eligibility. Updates include changes to the name, address or officials of the institution. Expansions include adding new programs or new locations. Staff will be available to assist with any questions you have regarding the Electronic Application for Approval to Participate in the Federal Student Financial Aid Programs (E-App for Schools). Also, this is the place to report your institution's emergency contact information. Stop by and let us check to ensure your institutional officials are current and, if needed, assist in preparing your application.

### **Loan Servicing**

Loan servicers will be available to demonstrate their online tools for loans they service on behalf of Federal Student Aid, and to answer questions on the services they provide.

**eZ-Audit**

Come find out how easy it is to submit your annual compliance audits and financial statements via the web. Learn what's new with eZ-Audit and check your institution's registration/submission status. Is your most recent submission overdue or incomplete? We can help you in a matter of minutes. eZ-Audit makes the reporting process much easier for you and helps Federal Student Aid better serve your needs.
